CHAT SCHEDULE :

*** KIDS/YOUNG PEOPLE WITH ARTHRITIS- every 2nd and 4th Tuesday at 7 pm ET

Susan Mauer **Lupus**

Protocol for Using Antibiotics

This use of antibiotics for rheumatoid disease is different from the traditional manner in which antibiotics are prescribed.

It is important to read the entire protocol.

This organization does not engage in the practice of medicine. It is not a medical authority. In all cases we recommend that you consult your own physician regarding any course of treatment or medication.
